Welcome Message

Welcome to 9th AKI & CRRT Hyderabad 2026

Dear Esteemed Colleagues,

It gives us immense pleasure to welcome you to the **'9th Annual Selections from AKI & CRRT San Diego 2026'** in the dynamic city of Hyderabad. As we continue this enriching academic journey, this year's conference promises to bring together the finest insights, innovations, and clinical advancements distilled from the prestigious AKI & CRRT meeting in San Diego. Shaping the Future of Critical Care Nephrology.

The 2026 scientific programme has been thoughtfully curated to address the rapidly transforming landscape of acute kidney injury and critical care nephrology. This year's sessions will focus on:

- Next-generation biomarkers and AI-enabled clinical decision support for early detection and precision management
- Advanced personalised CRRT strategies tailored to complex and evolving ICU patient needs
- Integrated multi-organ support systems and hybrid extracorporeal therapies redefining critical care practice
- Emerging innovations in sepsis, fluid stewardship, and hemodynamic optimisation
- Sustainable and environmentally conscious dialysis practices for the future of healthcare

Over two engaging days, participants will experience insightful lectures, evidence-based discussions, expert debates, and collaborative learning designed to translate directly into improved bedside care.

We look forward to welcoming you to Hyderabad for an inspiring academic experience filled with knowledge exchange, innovation, and meaningful professional connections as we collectively advance the care of critically ill patients with acute kidney injury.

Warm regards,

Dr. Ravindra L. Mehta

Dr. Mahesh Kota

Scientific Programme

Day 1: September 11th 2026, Friday	
Time	Topic
13:30	Conference Registration opens
Plenary Session 1 - 14:30 - 17:00	
Organ dysfunction in critically ill patients: emerging concepts	
	Chairs: Manisha Sahay, P. S. Vali
14:30 - 14:45	Opening Remarks Rajasekara Chakravarthi
14:45 - 15:00	AKI in ARDS and Sepsis: Current Concepts Keith Wille
15:00 - 15:15	AKI in the Oncological ICU: Challenges and Management Senthil Rajappa
15:15 - 15:30	The Gut-Kidney Axis: Microbiome's Role in AKI Pathophysiology Ashita Tolwani
15:30 - 15:45	Goal Directed Fluid Therapy: Do we Know What to Do? Thiago Reis
15:45 - 16:00	Ventilator-Kidney Interactions in Critical Illness Srinivas Samavedam
16:00 - 16:15	Renal Functional Reserve and AKI: What we Need to Know Claudio Ronco
16:15 - 16:30	Discussion
16:30 - 17:00	Coffee Break
CRRT Principles to Practice - 17:00-20:00	
	Chairs: Dinesh Khullar, Kanwalpreet Sodhi
17:00 - 17:10	Opening Remarks Ravindra Mehta
17:10 - 17:30	Choosing the Right Tool: Matching Machine, Modality and Patient Manish Kaushik
17:30 - 17:50	Access, Membrane, Circuit and Anticoagulation Thiago Reis
17:50 - 18:10	From Prescription to Bedside: CRRT Rx and Dose Delivery Ashita Tolwani
18:10 - 18:30	The ABC of Extracorporeal Ultrafiltration Claudio Ronco

Scientific Programme

Day 1: September 11th 2026, Friday	
Time	Topic
18:30 - 18:50	Solutions and Fluid Balance Manish Kaushik
18:50 - 19:10	De-escalation of CRRT: When Less Is More Thiago Reis
19:10 - 20:00	Debate - CRRT in Indian ICU—Useful or Futile? Group 1 - Useful - Vivek Gupta Group 2 - Maybe - Valentine Lobo Group 3 - Futile - Manjusha Yadla Moderator: Ashita Tolwani
20:00	Dinner

Scientific Programme

Day 2: September 12 th , 2026, Saturday		
Time	Topic	
08:00 – 8:45	Ask the Experts (Limited to 20 seats each session) *	
	Session 1 (ME1) - How do I use Hemadsorption Techniques in My Practice Claudio Ronco and Thiago Reis	
	Session 2 (ME2) - How do I Monitor Quality for CRRT in my ICU? Ravindra Mehta and Manish Kaushik	
	Plenary Session 2 - 09:00 – 11:00 Challenges in ICU management	
	Chairs: Venkat Raman Kola; Nithyashree Nandagopal	
09:00 – 09:15	Acute Kidney Injury in Mechanical Circulatory Support Keith Wille	
09:15 – 09:30	Does Hypotension Really Cause AKI? Kianoush Kashani	
09:30 – 09:45	Fluid Balance Reimagined: Hemodynamic Monitoring and Ultrafiltration Precision Ravindra Mehta	
09:45-10:00	Neonatal and Pediatric AKI: What have we learned? Kanav Anand	
10:00-10:15	Emerging AI Tools in the ICU: Opportunities and Challenges for Clinical Practice Kianoush Kashani	
10:15-10:30	Discussion	
10:30 -11:00	Keynote lecture: RCA-CKRT Protocols in Practice: Overcoming Challenges – Ashita Tolwani	
11:00 – 11:15	Coffee Break	
11:15 – 12:30	Workshop Session 1	
There will be 3 concurrent Workshops based on case-based discussions. These Standard Workshops are designed for smaller groups and allow for more interaction between presenters and attendees. Participants can choose to attend one of these 3 sessions.		
1A Starting, Transitioning and Stopping RRT Ravindra Mehta, Manish Kaushik	1B Managing the Heart Failure Patient with Worsening Renal Function Thiago Reis, Valentine Lobo	1C Pediatric AKI and RRT: Beyond the Basics Kanav Anand, Shaikh Farhan Rashid
12:30 – 13:30	Lunch	
12:30 - 13:30	Hall A - Industry Lunch Symposium Hall B - Industry Lunch Symposium	

Scientific Programme

13:30 - 14:45	Workshop Session 2	
2A Personalized Fluid Management with CRRT Ravindra Mehta, Girish Kumthekar	2B Managing Patients with Sepsis: Modifying the Course with ECOS Claudio Ronco, Keith Wille	2C Plasma Exchange in Critically Ill Patients: Who, When and How Shyam Bansal, Ramesh Venkataraman
15:00 - 16:30	Workshop Session 3 : Practising CRRT	
<p>Participants will be divided into 3 groups; each group will go to 1 station and attend the hands-on session for 30 minutes. After 30 minutes each group will go to the next station to attend the next session. Each participant will rotate all the 3 stations in 90 minutes.</p>		
3A Station 1: Vantive Prismax- Ashita Tolwani, Mahesh Kota	3B Station 2: Fresenius Multifiltrate Pro - Kianosuh Kashani, Manish Kaushik	3C Station 3: Hemadsorption Therapies: Filters, Techniques and Application Claudio Ronco, Thiago Reis
16:30 - 17:00	Coffee Break	
17:00 - 18:00	CRRT Master Class	
<p>In this session participants will be allocated to 4 teams and given a case scenario for which they must determine an appropriate prescription for CRRT and program the machine to deliver the therapy.</p>		
Organizer: Ashita Tolwani		
Judges: Claudio Ronco and Ravindra Mehta		
Team 1 - Kianoush Kashani and Mahesh Kota Team 2 - Manish Kaushik and Vivek Gupta Team 3 - Keith Wille and Girish Kumethkar Team 4 - Thiago Reis and Valentine Lobo		
18:00	Adjourn	

Scientific Programme

Day 3: September 13 th , 2026, Sunday	
Time	Topic
08:00 – 8:45	Ask the Experts (Limited to 20 seats each session) *
	Session 3 (ME3) How Do I Run Regional Citrate Anticoagulation in My Practice? Ashita Tolwani and Girish Kumthekar
	Session 4 (ME4) Practical Steps to Train (and Become) an AI-Era Physician Kianoush Kashani and Srinivas Samavedam
	Plenary Session 3 - 9:00-11:00 Updates in Nephrology
	Chairs: Ganshyam Jagatkar; Piyush Mathur
09:00 - 09:20	Hemoadsorption in HLH: Role of Blood purification in hematologic emergencies Thiago Reis
09:20 - 09:40	AKI in the Solid Organ Transplant Recipient Keith Wille
09:40 -10:00	Hemoadsorption in ICU and the misleading message of guidelines Claudio Ronco
10:00- 10:30	Critical Care Nephrology: Literature review Kianoush Kashani
10:30 – 10:45	Discussion
10:45 – 11:00	Closing remarks - Rajasekara Chakravarthi
11:00	Adjourn

Registration Details

Categories	Early Bird Upto July 31st	Regular Registration From August 1st - September 5th	Spot Registration
Delegates	8000	9000	10000
PG Students	4000	5000	6000

Ask the Experts Day 2 (Limited to 20 seats each session) *
Pre Booking is required for each Session Rs 1000/-

Session 1 (ME1) - How do I use Hemadsorption Techniques in My Practice

Session 2 (ME2) - How do I Monitor Quality for CRRT in my ICU?

Note:

A participant can attend only one session per day, either Session 1 or Session 2

Ask the Experts day 3 (Limited to 20 seats each session) *
Pre Booking is required for each Session Rs 1000/-

Session 3 (ME3) How Do I Run Regional Citrate Anticoagulation in My Practice?

Session 4 (ME4) Practical Steps to Train (and Become) an AI-Era Physician

Note:

A participant can attend only one session per day, either Session 3 or Session 4

Residential Packages

Room Type	Stay Duration	Tariff	Check-In	Check-Out
Single Room	1 Night	₹11,000 inclusive of taxes	11th, 2:00 PM	12th, 12:00 Noon
Single Room	2 Nights	₹22,000 inclusive of taxes	11th, 2:00 PM	13th, 12:00 Noon
Double Sharing Room	1 Night	₹6,000 per person inclusive of taxes	11th, 2:00 PM	12th, 12:00 Noon
Double Sharing Room	2 Nights	₹12,000 per person inclusive of taxes	11th, 2:00 PM	13th, 12:00 Noon
